COURSEWORK

UNDERGRADUATE

Data Structures Algorithms
Web Development
Object Oriented Programming

TECHNICAL SKILLS

PROGRAMMING LANGUAGES

• C++ • Python • Javascript

DATABASES

MySQL

TECHNOLOGIES

- HTML
- CSS
- Javascript
- ReactJs
- NodeJs
- ExpressJs
- AJAX
- Django
- Git

OTHER SKILLS

- Public Speaking
- Team Player
- Leadership Skills
- Time Management Skills

EXPERIENCE

CODING NINJAS | TEACHING ASSISTANT

October 2020 – Feb 2021 | New Delhi, India

- Served more than **270 students**, as a Teaching Assistant of **Data Structures and Algorithms** in reviewing and debugging their codes whenever they got stuck with any problem.
- Helped students in understanding different optimized approaches to an algorithmic problem, making sure that they understand the intuition behind the algorithm.

HCL TECHNOLOGIES | ANALYST

September 2022 – March 2023 | Bangalore, India

- Working for **Volvo Cars** where users from different countries raise various kinds of ticket requests like account creation, asking for accesses to shared disk or asking to add them in active directory, azure, creation of PULS account etc.
- Resolved close to **700 tickets** so far.

PROJECTS

DJANGO-BLOG | DEVELOPER

- Provides admin panel to the users.
- Covers all major functionalities like creating a blog post on a specific time and date, making changes in blog post.

MESSAGING AND E-MAIL FORM | DEVELOPER

- Using messaging component in Django, created an email form that will be sent to a real email account.

E-COMMERCE WEBSITE | DEVELOPER

- A dummy e-commerce website to meet the demands of online shopping.
- Provides the cart functionality along with the checkout process.

ONLINE TEACHING

NISHCHAL GUPTA | YOUTUBE CHANNEL

- Creating programming tutorials that teach students how to solve problems efficiently with different algorithms in the field of Data Structure and Algorithms. Link:// [Algorithmic Thinker](#)

ACHIEVEMENTS

- Achieved a **global rank 81** in Codechef October Long Challenge.
- Qualified in **Snackdown 2021** (India's Global Programming Event)
